EDUCATION

S.R.M University — *B.Tech*

Computer science and engineering

2022 - 2026

CGPA – 9.77(Till 2nd Semester)

Maharishi Vidya Mandir — 12th

Computer Science

2021 - 2022

Percentage - 87.2%

Maharishi Vidya Mandir — 10th

2019 - 2020

Percentage - 93.2%

SKILLS

Problem Solving

Critical Thinking

Team leading

Microsoft:

PowerPoint • Excel • Word

Programming Languages:

Python (Advanced)

C (Intermediate)

C++ (Intermediate)

SQL (Intermediate)

HTML, CSS(Intermediate)

PROJECTS

Memory Management System

Nov 2023; Team Size: 3

This project was based on using best fit, worst fit and average fit Algorithm to determine the time and space occupied by each process.

Parking Management System

Nov 2023; Team Size: 3

This project used two Dimensional arrays in order to represent the vehicle parking system and had functionalities like to add a vehicle details, delete a vehicle details and edit vehicle details.

Water Level Indicator

Oct 2023; Team Size: 2

I worked with a Arduino Uno circuit to implement a system that monitors water level and automatically switches on motor in case of low water level.

Personal Diary Management system

Jan 2023; Team Size: 2

This project is developed in order to make a detailed diary which includes adding a new entry, editing an existing entry and delete an entry.

CERTIFICATES

Mastering Machine Learning Fundamentals

Youtube sponsored Workshop

Programming In Java

NPTEL Online Certifications

Introduction To ML, DL and Computer Vision

Summer School – AI Club (IITM)

LANGUAGES

English - Native or bilingual proficiency in Speaking and Writing

Tamil - Native or bilingual proficiency in Speaking and Writing
